

MEMORANDUM

28 June 1949

TO : Acting Executive
Administration & Management, OPC

FROM : CFB

SUBJECT: Books to be Returned to CIA Library

25X1A9A

Reference is made to certain expense accounts which were submitted to CFB for payment, with memorandum from the Director, CIA to Mr. [REDACTED], itemizing tuition costs incurred by a few members of the staff of OPC.

In this connection there were listed on these vouchers expenses of purchasing certain text books which were used in connection with the course offered to these employees. It is suggested that these books be collected from the individuals concerned and turned in to the CIA Library as they appear to be U. S. Government property.
